Re: Pizzitola v. New York City Fire Department, et al, 04 Civ. 4801 (ILG)(CLP)

Dear Judge Glasser:

I am the attorney for the defendants in the above-referenced action. I write to request a 30-day extension of time, until January 28, 2005, to respond to the Complaint. The response is currently due on December 29, 2004. An extension is necessary because I have not yet obtained the pertinent documents or spoken to all of the individual defendants. Therefore I am not yet able to determine whether all defendants are entitled to representation by this office.

This is my second request for such an extension. Counsel for plaintiff is out of town and therefore I am unable to obtain his consent to this extension.

Sincerely yours,

Phyllis Calistro
